Dear Ian

I refer to the Inspector's letter of May 18<sup>th</sup> and the request to confirm the Council's willingness to undertake the work required to progress to the hearings.

We have now met with the new Leader of the Council to discuss the Local Plan EIP, and subject to a small number of additional modifications to the Plan, he is content for the EIP to progress. On this basis we are working to provide a schedule of proposed Main Modifications by June 20<sup>th</sup>.

Yours sincerely

*Nick Lynch*
