Parent's/Carer's views

(Below are some suggestions to get you started, there is no right or wrong way to complete this section)

Parent's/carer's aspirations including play/socialising, friendships, education, employment, leisure (please indicate who is providing the information).

My aspirations for my child:

What my hopes are for my child when they have finished school/ college?

- Has your child shared their thoughts with you about what they would like to do when they have finished school/college?

For example

- Training?
- Go to university/another course?
- Job?
- Apprenticeship?

Your child:

- What is important to them? Their strengths
- What do they find difficult?
- What do they enjoy/find interesting?
- What do they not like?

Education:

- How is your child getting on at school/college?
- What does your child enjoy/find interesting at school/college?
- What would your child like to achieve at the end of their time in school/college?
- What would you like them to do better at or improve in?

Friendships/play/socialising:

- Do they like socialising or meeting up/playing with friends inside and outside of school/college?

Outside of school/college:

- What does your child enjoy doing outside of school/college?
- Are there any other activities that your child would like to be involved in, in and outside of school/college?

Other things you may want to think about

- Is there anything that you think might stop your child from reaching their aspirations or goals? If yes, what?
